# Annual Report of Haynes Library Association

---

Again we are called upon to make our annual report. The past year has been much as the years gone by. A few new books have been added to our library by purchase and some by donation. The books, most of them, show careful usage, but some seem to think the books cost nothing, and can be thrown down anywhere, be the place wet or dry.

Mrs. Bullock still retains her high rank as a librarian. The building and grounds have been carefully cared for by the committee for that purpose. The report of the treasurer and librarian will show the business done by them.

Respectfully submitted,

A. F. CHENEY, Secretary.
